

A Research Administrators' Conference ...

... in conjunction with OSU's Research Week

Collaboration, Communication & Compliance

FREE!

Thursday, February 24, 2011

ATRC Building, Oklahoma State University campus

9-10:15

Grant Budgeting Basics

Becky Schlais, Jama West, Karen Whitworth - OSU

Budget preparation is a vital part of the proposal process and has long-lasting ramifications. Budgets too large may result in a proposal that is not competitive, or ones too small may result in an award with inadequate funding to complete the project. This session will present the process behind building a budget; the importance of a strong budget justification; the meaning and impact of a request to revise a budget by a granting agency; the National Institutes of Health modular budget; and effective award management.

10:30-11:45

OSU's Time & Effort Verification System

Bob Dixon, Lisa Farukner - OSU

A preview of OSU's recently released Time and Effort verification system.

12-1:30
