AUTM 2013 Central Region Meeting
Raising the Game
July 17-19, 2013
Hyatt Regency Indianapolis, IN USA

Save the date for the AUTM 2013 Central Region Meeting in Indianapolis.

This meeting provides you with an opportunity to interface directly with hundreds of AUTM members—the world's leaders in academic research and technology transfer initiatives.

More than 200 academic technology transfer professionals attended the AUTM 2011 Central Region Meeting in Louisville and more than 160 attended the 2012 meeting in Oklahoma City. The AUTM 2013 Central Region Meeting, held in centrally located Indianapolis, provides easy access for major Midwest research and business professionals and is expected to be the most successful meeting to date.

About AUTM

The Association of University Technology Managers (AUTM) is a nonprofit professional organization dedicated to promoting, supporting and enhancing the global academic technology transfer profession. AUTM's more than 3,000 members are involved with the management of intellectual property and licensing, and include:

- Technology transfer and research directors and staff at universities, teaching hospitals and nonprofit research institutions
- Representatives from industry and government organizations
- Patent attorneys and other support professionals

Sponsorship Opportunities

Your sponsorship of the AUTM 2013 Central Region Meeting underscores your involvement in the technology transfer field and helps AUTM keep registration fees low - allowing technology transfer professionals from all backgrounds and skill levels to attend. A wide range of sponsorship opportunities are available. For details, contact Madhuri Carson at +1-847-753-5217 or email at mcarson@autm.net.

Registration and program details will be available in the next few months. Until then, please feel free to review information found at the AUTM 2013 Central Meeting website: http://www.autm.net/2013_Central_Region_Meeting.htm

The AUTM Central Region Program Committee looks forward to seeing you in Indianapolis.
