on Drug Abuse  
The Science of Drug Abuse & Addiction

**ATTENTION  
EARLY-CAREER  
PROFESSIONALS**

**APPLY TO BECOME A FELLOW OF THE NIDA-  
FUNDED HIV & DRUG ABUSE PREVENTION  
RESEARCH ETHICS TRAINING INSTITUTE**

**Celia B. Fisher, Ph.D.**

Director & Principal Investigator (1R25DA031608-01)

- **Attend two summer training institutes with fully funded travel and lodging beginning July 7 – 15, 2016 in New York City**
- **Join an international network of scholars examining current challenges in HIV & drug abuse research ethics**
- **Receive a \$20,000 grant to conduct a Mentored Research Project (MRP) that will contribute to evidence-based HIV & drug abuse research ethics practice**

**Our fellows have published their Mentored Research Projects in peer-reviewed journals, presented the data at national and international conferences, and incorporated the MRP as pilot data for grant applications. To see fellows' accomplishments, please visit our website: [www.fordham.edu/ethicsinstitute](http://www.fordham.edu/ethicsinstitute).**

**How and when to apply:**

Visit our website <http://www.fordham.edu/ethicsinstitute> for the call for applications or contact Dr. Elizabeth Yuko at [ethicsinst@fordham.edu](mailto:ethicsinst@fordham.edu) for more information. Applications are due **February 25, 2016, *subject to availability of funds***. Applicants will be notified of award decisions by **April 15, 2016**.
