

Grantsmanship for the Research Professional

Registration for the ONLINE **August 5-6** Grantsmanship Course at Northwestern University is now open!

Course: [PHIL NP 380-0: Grantsmanship for the Research Professional](#)

Dates: Thursday and Friday, August 5-6, 2021

Description:

Grantsmanship for the Research Professional is a two-day executive education-style workshop that introduces and enhances skills associated with effective grant opportunity identification, proposal preparation, grant review process, and team science. The course will cover:

- Strategies for developing grant proposals that support both hypothesis-driven and need-based research activities
- Funding agencies and funding opportunity identification across the government (emphasis on NIH, NSF, and other federal funders), corporate, and foundation sectors
- Proposal review process and reviewer-centric grantsmanship
- Proposal planning, proposal components, and writing the specific aims and project narrative sections
- Budget development
- Proposal submission and post-award primer; and,
- Team Science

The course is designed for:

- Professionals at any Research University, Research Institute, and/or Research Hospital
- Researchers at all levels (early career through faculty) conducting research in Engineering; Sciences (Biomedical, Health, Clinical, Physical, Natural and Social); Law; and Education
- Research Development Professionals, Research Administrators, and Research Managers supporting individual researchers and/or teams of investigators; and,
- Research Grant & Contract Officers from Sponsored Research Offices involved in pre-award activities

Offered by: The School of Professional Studies, Northwestern University
