

We're hiring!

Research Administrators

...Manager/Lead/Senior...

The Survey Research Center seeks dynamic research administrators to join its network of research administration professionals for opportunities at the Research Administration Manager, Research Administrator Lead, and Research Administrator Senior levels. We seek:

- **Research Administration Managers** responsible for oversight, leadership, and supervision of other research administrators and administrative staff in large program or multiple-program settings. Positions report to research faculty.
- **Research Administrator Leads/Seniors** responsible for assigned pre- and post-award activities within a large program or multiple-program setting. Supervision is received from Research Administration Managers.

These positions will be on-site at the University of Michigan offices in Ann Arbor, with flexible scheduling and remote opportunities made available
