

## AVIATION CYBER INITIATIVE

# CYBER RODEO

## AND CAPTURE THE FLAG (CTF)

FEB. 5-6 2025

## ACI 2025 Cyber Rodeo at Embry-Riddle Aeronautical University

### SAVE THE DATE!

The Center for Aerospace Resilient Systems (CARS) at Embry-Riddle has once again teamed up with Boeing & MITRE to host an electrifying ACI Cyber Rodeo event and Capture-The-Flag (CTF) competition in the Student Union Event Center! This 3rd annual event is bigger and better than ever, featuring more universities, an expanded company recruiting event, cutting-edge technical demonstrations, an engaging poster session, insightful technical briefings, and the latest in emergent, high-stakes Capture-The-Flag challenges. This event showcases Embry-Riddle Aeronautical University's state-of-the-art aviation and aerospace cyber research, development, testing, and collaborative capabilities, making it an unmissable highlight of the year!
