Dear NASA Grantee Community,

NASA has implemented an early cut-off for drawdowns each month. All NASA payment requests must be requested in the Payment Management System on the 26th* of each month by 3:30 p.m. US Eastern Time. If the 26th of the month falls on a Saturday, Sunday, or federal holiday, payment requests must be made on the preceding workday. The Payment Management System will re-open for NASA drawdowns on the first business day of each month. For questions, please contact your NASA Center Point of Contact at nssc-contactcenter@mail.nasa.gov or your PMS Liaison Accountant.

Thank you for your work and partnership with NASA.
