IMPORTANT: The updated program announcements have been posted to Grants.gov and the electronic Biomedical Research Application Portal (eBRAP). Updates to program announcements that were posted to the CDMRP website are pending and will be updated soon.

.....

A pre-application is required and must be submitted through the electronic Biomedical Research Application Portal (eBRAP) at <https://eBRAP.org> prior to the pre-application deadline.

All applications must conform to the final Funding Opportunities/Program Announcements and General Application Instructions which can be found on the Grants.gov website (<https://Grants.gov>). A listing of all CDMRP and other USAMRDC extramural funding opportunities can be obtained on the Grants.gov website by performing a basic search using CFDA Number 12.420. Applicant organizations must be registered in SAM (<https://www.sam.gov/SAM/>) and receive confirmation of an “Active” status before submitting an application through Grants.gov.

For email notification when CDMRP funding opportunities are released, subscribe to program-specific news and updates under “Email Subscriptions” on the eBRAP homepage at <https://eBRAP.org>. For more information about CDMRP-administered programs, please visit the CDMRP website (<https://cdmrp.health.mil>).

For more information on types of funding opportunities offered and application strategies, review the CDMRP Webinar Series: https://cdmrp.health.mil/pubs/Webinars/webinar_series.
