

# Seeking Research Participants

## Paid Virtual Focus Groups and One-on-One Interviews

### Background

---

As part of National Science Foundation (NSF) Award # 2512527, we are seeking research participants to engage in virtual focus groups **or** one-on-one interviews for **improving the process for grant proposal resubmissions**.

---

### Who We're Looking For

- **Research Administrators** with experience assisting faculty/staff in submitting grant proposal resubmissions.
  - **Faculty/Staff** in any discipline with experience submitting a grant proposal and has gone through the resubmission process for a grant proposal.
- 

### What You Will Do

#### Focus Groups (~5 people/group)

- Meet virtually with a third-party consultant to talk through the resubmission process (e.g., barriers, challenges, etc.) and potential tools/resources that may aid in improving this process.
- Completed consent forms and Non-Disclosure Agreements will be required prior to participant engagement in the research study.

#### One-on-One Interviews

- Meet virtually with a third-party consultant to talk through their personal experience with the resubmission process (e.g., barriers, challenges, etc.)
- Completed consent forms and Non-Disclosure Agreements will be required prior to participant engagement in the research study.

**Time Commitment:** 60-90 minutes

**Compensation Provided via \$100 Gift Card**

**Spots are limited, register at the following link:**
