This **anonymous online survey** takes about **20–30 minutes** to complete. Your insights will help inform how institutions and organizations support research administrators in their vital roles.

Who should participate?

- ✓ Professionals working in **pre-award research administration** (proposal development, review, submission, or compliance).
- ✓ Across universities, research institutes, hospitals, nonprofits, or government.

All potential participants can enter a raffle for a chance to receive one of 20 \$15 Amazon gift cards.
