### SUPPLEMENTARY INFORMATION:

#### A. Purpose

The existing information collection requires applicants and recipients of Federal financial assistance, unless the applicant is an individual or Federal awarding agency that is excepted from those requirements, to register in the System for Award Management (SAM) and maintain an active SAM registration with current information at all times during which they have an active Federal award or an application or plan under consideration by an agency pursuant to 2 CFR subtitle A, chapter I, and part 25. This facilitates prime awardee reporting of sub-award and executive compensation data pursuant to the Federal Funding Accountability and Transparency Act of 2006, as amended (31 U.S.C. 6101 note). This information collection requires that all prime financial assistance awardees, subject to reporting under the Federal Funding Accountability and Transparency Act, register and maintain their registration in [SAM.gov](https://www.sam.gov).

The proposed amendment would update the Financial Assistance General Representations and Certifications to align with updated executive branch guidance including Department of Justice “Guidance for Recipients of Federal Funding Regarding Unlawful Discrimination” (July 29, 2025) (<https://www.justice.gov/ag/media/1409486/dl>) and Executive Order (E.O.) 14173 of January 21, 2025, Ending Illegal Discrimination and Restoring Merit-Based Opportunity (<https://www.federalregister.gov/documents/2025/01/31/2025-02097/ending-illegal-discrimination-and-restoring-merit-based-opportunity>) applicable to all entities receiving grants, cooperative agreements, and financial assistance such as loans, insurance, and direct appropriations.

[Office of Management and Budget #: 0970-0477]

**Proposed Information Collection Activity; Generic Clearance for Reviewer Recruitment Forms**

**AGENCY:** Office of Planning, Research, and Evaluation, Administration for Children and Families, U.S. Department of Health and Human Services.

**ACTION:** Request for public comments.

**SUMMARY:** The Administration for Children and Families (ACF) proposes to extend approval of the existing overarching generic clearance for Reviewer Recruitment Forms (Office of Management and Budget (OMB) #0970-0477). No changes are proposed to the terms of the overarching generic. Burden estimates have been updated.

**DATES:** Comments due March 30, 2026.

**ADDRESSES:** In compliance with the requirements of the Paperwork Reduction Act of 1995, ACF is soliciting public comment on the specific aspects of the information collection described above. You can obtain copies of the proposed collection of information and submit comments by emailing [infocollection@acf.hhs.gov](mailto:infocollection@acf.hhs.gov). Identify all requests by the title of the information collection.

**SUPPLEMENTARY INFORMATION:**

*Description:* The overarching generic clearance for Reviewer Recruitment Forms provides ACF with the opportunity to collect from potential reviewers, such as those who review grant proposals, conference proposals, research/evaluation plans, study designs, report drafts, and/or other ACF materials.

ACF developed this generic because each program office within ACF has slightly different needs for information about reviewer applicants based on the specific activities for which reviewers are needed, yet the individual forms submitted under the generic will serve an identical function. The overarching purpose is to select qualified reviewers for ACF review processes and activities

based on professional qualifications. Information will be collected through questions on forms and documents provided by candidates. Example documents include writing samples and curriculum vitae and/or resumes. ACF uses the information collected to recruit well-qualified reviewers with relevant background experience and knowledge.

The abbreviated clearance process of the generic clearance allows program offices to gather a suitable pool of candidates within the varied time periods available for reviewer recruitment.

These forms submitted under this generic will be voluntary, low-burden and uncontroversial. Currently approved information collections are available for review on [RegInfo.gov](https://www.reginfo.gov/public/do/PRAICList?ref_nbr=202506-0970-021): [https://www.reginfo.gov/public/do/PRAICList?ref\\_nbr=202506-0970-021](https://www.reginfo.gov/public/do/PRAICList?ref_nbr=202506-0970-021).

*Respondents:* Individuals who may apply to review materials for ACF.

**Annual Burden Estimates**

The following burden estimates include burden associated with currently approved individual requests that ACF expects will be extended through this extension request and an estimate of burden for potential new requests under this generic. Based on the past three years and with a goal to reduce burden moving forward, the number of respondents has been reduced by 50 percent and the estimated time per response by 34 percent, from 30 to 20 minutes. Overall, burden for potential new requests is 67 percent less than the currently approved umbrella generic.
